The Disciple-Makers Initiative survey results are complete. Father Loseke has an Archdiocesan meeting at St. Gerald's on 5-14-17 with selected Parish members to go over the results. He will share the results with PPC and implement an action plan, probably in the fall.

The Fall Festival committee has asked PPC to run the dime toss this fall. All agreed.

The Ministry showcasing during Lent had positive results. The mens group has dissolved but new mens and womens groups have casually formed in locations outside the Parish.

Father Loseke, Jackie Schuler, and Magan Furstenau had a discussion about pre—school participation in Sunday Mass. More options will be considered.

A Parish Directory with photos is being considered; Lifetouch photography handles the entire project. More info as it becomes available.

Father Loseke will look into photos of the Holy Father and Bishop to be hung in the Church Hallway. He will also make an announcement after Mass about the need for 2 or more new PPC members; we have 2 retiring members.

The new storage building will begin construction in May with a finish date of mid July. The cost will be about \$15,000 due to many donations.

Decon Dave will provide cost and feasibility of handicap accessible doors at several locations. The confessional area will also undergo a small renovation.

THE ASCENSION, a Holy Day May 25, Masses will be Wednesday at 5:30 pm and Thursday at 7pm to complement surrounding Parish Mass times.

Questions have come up about dress code for the Parish; maybe a reminder of manners is in order.

The new member meeting will be held 5-21-17 in the gym after the 9am and 11am Masses.

The next PPC meeting will be held 5-23-17 at the home of Chris Poutre at 7 pm.

Chris closed the meeting with a Prayer.
